

## PERSONAL INVITATION

# Roundtable

## Investor Stewardship Group Switzerland

The aim of this roundtable is to familiarize and raise your awareness for the *Investor Stewardship Group Switzerland* (ISGS) initiative.

Complementary to other initiatives in Switzerland regarding “Sustainable Finance”, ISGS intends to support the asset management industry by facilitating knowledge exchange and impactful engagements on governance and CSR topics, based on common principles for good governance and stewardship.

Together with its members, ISGS shall support the Swiss capital market by establishing and promoting an impactful stewardship instrument. ISGS and SWIPRA are uniquely positioned to support you with a wide professional network and longtime experience in stewardship and engagement in Switzerland.
